RE: Request for Refund for U.S. Patent Application 09/819,515

---

Dear Sir/Madam:

I am writing to request a refund of amounts overcharged by the United States Patent & Trademark Office for U.S. Patent Application 09/819,515.

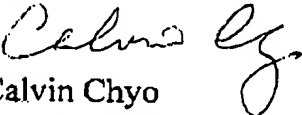

On February 3, 2005, Deposit Account #500374, belonging to the Law Offices of Mikio Ishimaru, was charged the amount of \$400 for claims in excess of twenty filed in my company's above-referenced patent application. The fee code in relation to this charge was 1202, which is used for those with large entity status. We claimed small entity status on this application and thus should have been charged under fee code 2202, which reduces the amount to \$25 per claim in excess of twenty.

In addition, we were charged for eight claims in excess of twenty but should only have been charged for six claims in excess of twenty. We have a total of 29 pending claims in our most recent response. Since 23 claims were pending from a previous response filed on March 26, 2004, we should only have been charged for six additional claims in excess of twenty.

With both the above-mentioned changes, our total charge should be \$150 instead of \$400.

We request that you make the appropriate adjustment of \$250 to Deposit Account #500374 at your earliest convenience.

Regards,
